<https://github.com/aveenjoseph04>

Professional Summary

AI enthusiast with a strong foundation in Machine Learning, and Natural Language Processing (NLP), with hands-on experience in data preprocessing, data analysis, data visualization, Machine Learning and NLP using Python. Passionate about building data-driven and intelligent solutions and actively seeking opportunities in Machine Learning and AI to apply technical skills, solve real-world problems, and continuously grow as an AI/ML professional.

Education

Integrated M.Sc. Computer Science (Artificial Intelligence & Machine Learning) **2022 – till date**

- **University:** Mahatma Gandhi University, Kottayam
- **College** : Bharata Mata College, Thrikkakara, Kerala

Skills

Technical Skills

- **Programming** : HTML, CSS, SQL, Python, Flask, Data Structures, AI, ML, NLP, R
- **Tools & Technologies:** Google Colab, Jupyter Notebook, Visual Studio Code, Git/GitHub

Soft Skills : Communication, Problem-solving, Continuous Learning, Time Management

Internship Experience

Data Analysis Intern **1 April 2026– 15 April 2026**

Soft Nexis Technology

- Performed data preprocessing and data cleaning using Python.
- Conducted exploratory data analysis (EDA) to identify trends and patterns.
- Created data visualizations using Python libraries to communicate analytical findings.
- Utilized Python libraries for efficient data manipulation and analysis.

Projects

Fake Review Detection System

- Developed a review authenticity detection system using Python, Natural Language Processing (NLP), and Machine Learning.
- The application analyzes text reviews and classifies them as either Human-generated or AI-generated.

Email Spam Classifier

- Developed a Machine Learning-based Email Spam Classifier.
- Detects spam emails through text preprocessing, feature extraction methods such as TF-IDF and Bag of Words, and supervised learning algorithms.

Certifications

- Data Science-Teachnook
- Machine Learning by VOIS
- Secured First in the Rubik's Cube Solving Competition at Sacred Heart College (Autonomous), Thevara.
- Attended one day workshop on Augmented Reality and Virtual Reality organised at Community Skill Park, Kalamassery.
- Participated in International Conference on Artificial Intelligence and Machine Learning held at Bharata Mata College, Thrikkakara

Additional Information

Areas of Interest: Machine Learning, Data Science, Natural Language Processing (NLP)

Languages : English, Malayalam, Hindi
